A Visit to the Doctor

Helping children become the brave main character in their story

Scene 1 of 10

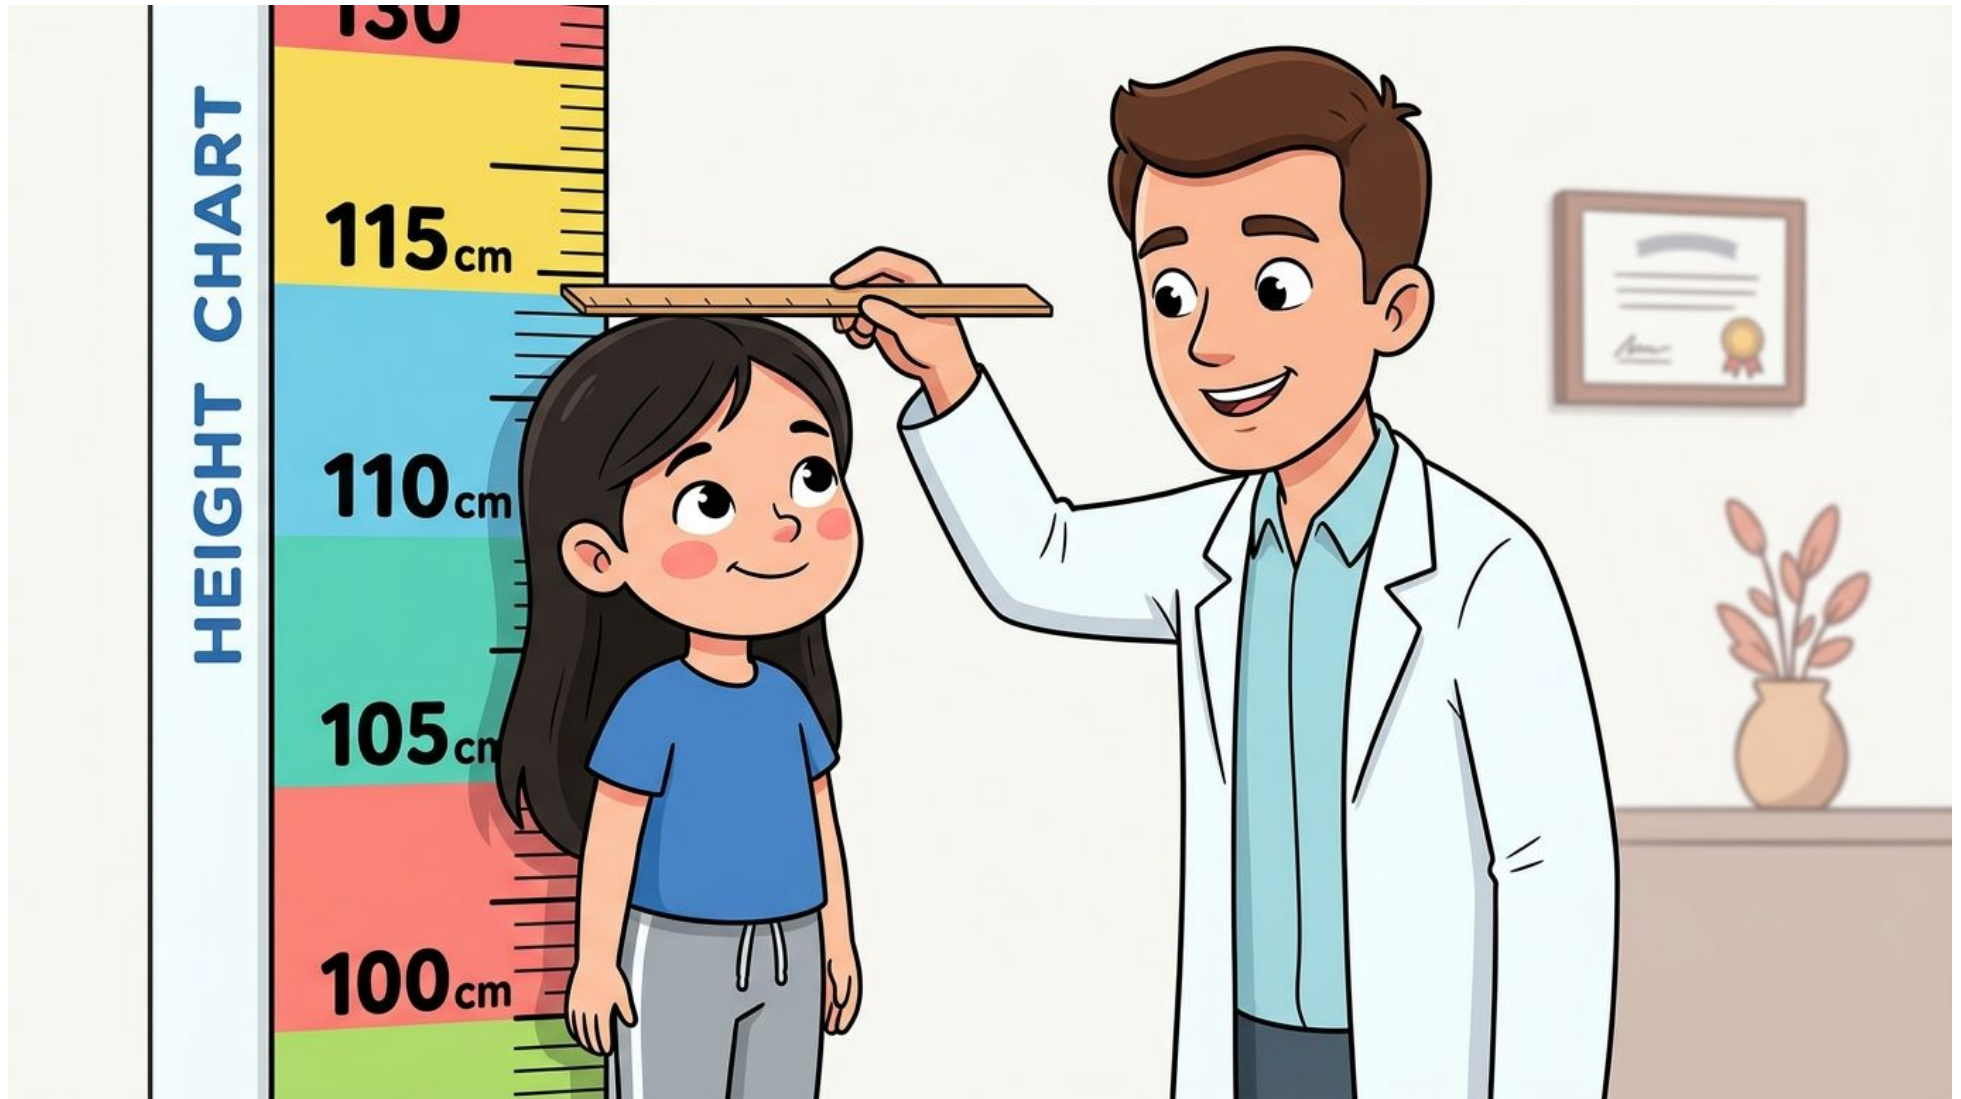

On Friday afternoon, Mum and I visit the doctor.

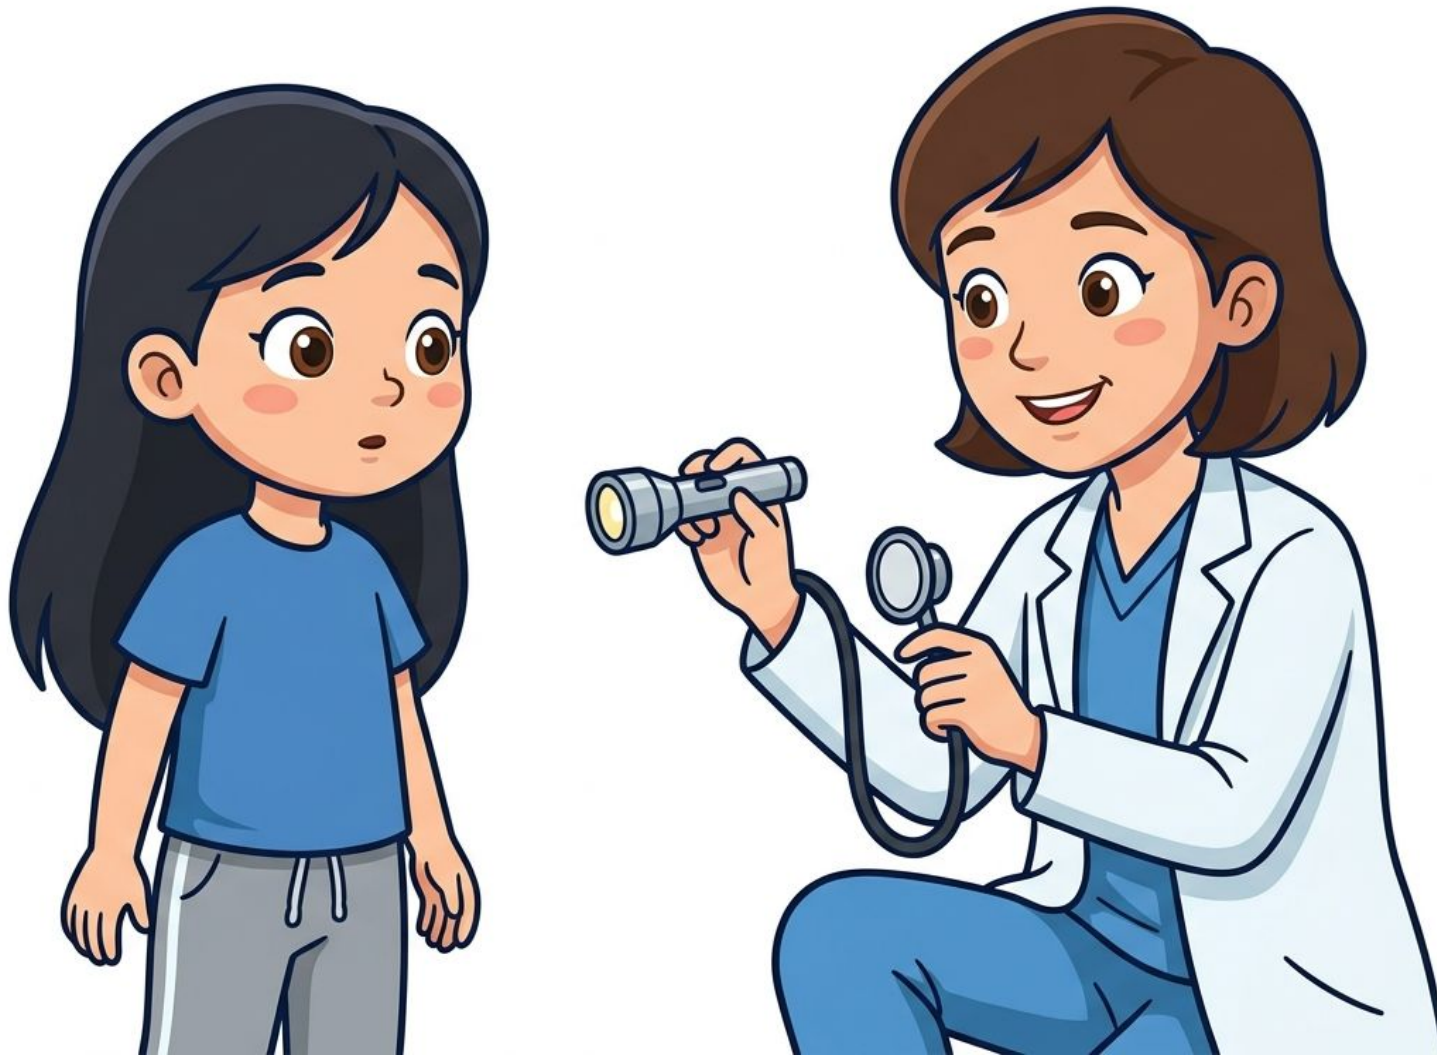

Scene 2 of 10

It is okay to feel unsure about a check-up.

I stand against the wall to measure my height.

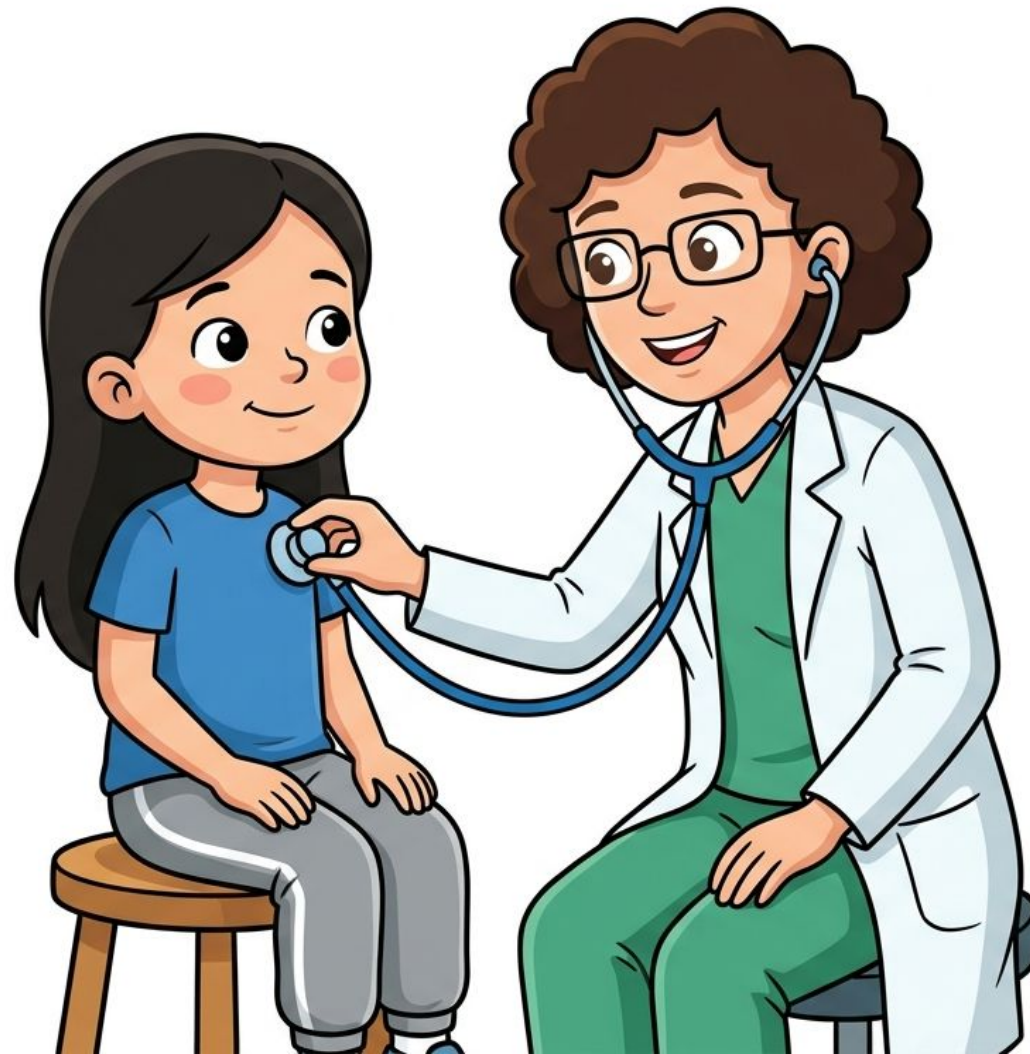

I watch the doctor get the tools ready.

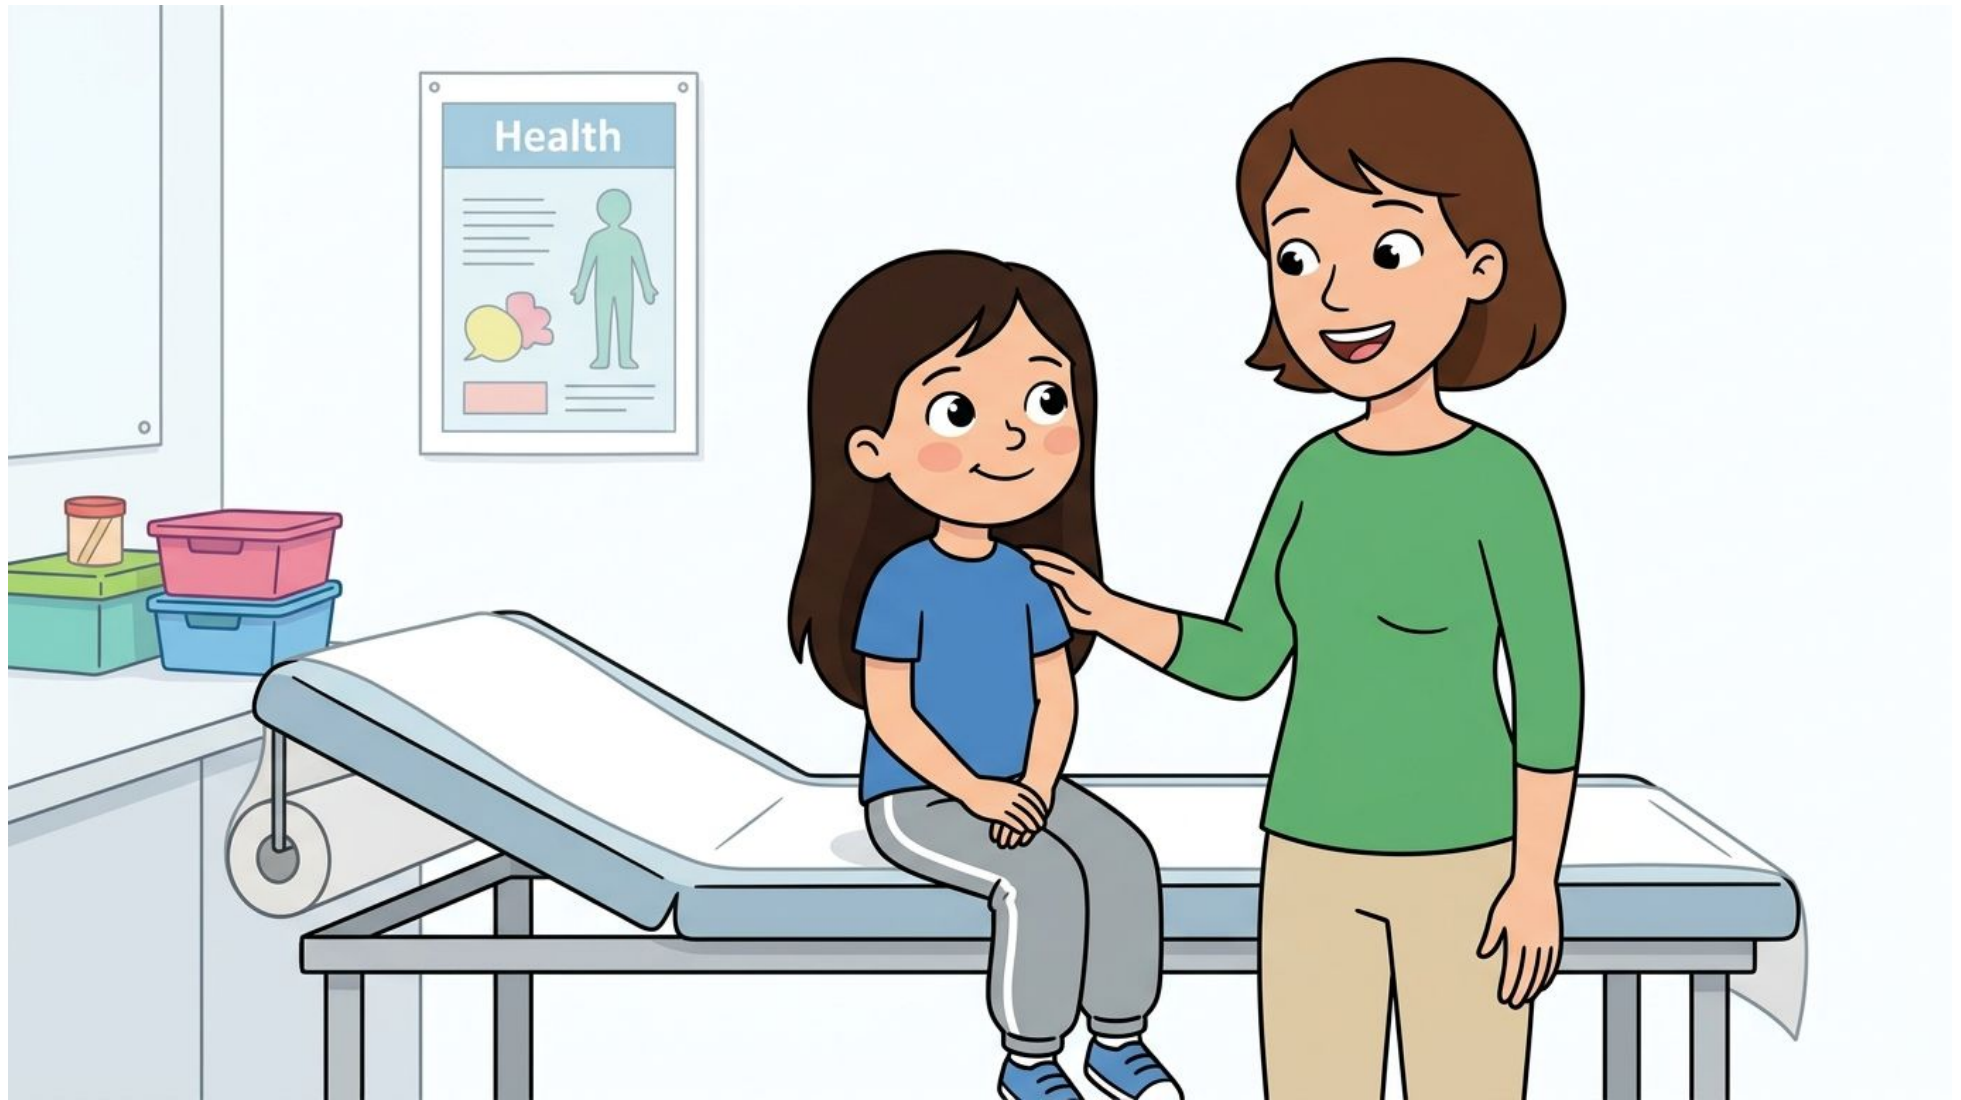

The doctor uses a small, bright light for my ears.

The doctor puts a cold stethoscope on my chest.

The doctor listens to the rhythm of my heart.

Mum stays close to me in the room.

I can hold Mum's hand during the check-up.

After the visit, Mum and I go home together.
